Experience

Acer Inc. & Expert

E-sport athlete

Aug 2014 – March 2018

Playing professional e-sport, signed to Acer Inc. and Expert (different periods). Weekly responsibilities where people counted on me to practise and be prepared. Two times representing both companies at Gamescom in Köln, Germany.

GLS Group

Night shift, sorting

Aug 2018 – Jan 2019

Organized work, where they always expected us to do better than the day before. High-pressure physical job, where team work played a important roll to manage all the assingments, and secure a smooth operation.

Independent work

Music creator

Anne Skau Styrihave (Politician)

2017

Friend who's a film-creator, contacted me regarding music for his video-content, for Anne. I made multiple pieces, for different kind of campaign-videos. He had some specific wishes, but other than that, I had free reign.
